Sedona in Motion 5B – Forest Road Connection

FY20 CIP Update

KEY FEATURES:

Consultant: Southwestern Environmental Consultants (SEC)

Contractor: TBD

Timing: December 2017 – FY 2021

Construction Challenges:

- Extremely steep slopes
- Land acquisition

Project Manager:
 Stephen Craver, PE
 (928) 203-5059
SCraver@SedonaAZ.gov

City Engineer:
 J. Andy Dickey, PE
 (928) 203-5039
ADickey@SedonaAZ.gov

\$ FY20 Project Budget: \$1,205,800
Total Project Budget: \$3,144,900

This project is a result of the Transportation Master Plan. It was identified by Council as a high priority project. The connection will allow for residents, who live in the Uptown area, to avoid SR 89A and the “Y” when traveling to and from West Sedona. Land acquisition will be necessary to make this a public connection.

Status: A final Feasibility/Concept Design for Forest Road Connection was completed by the city’s consultant, Southwestern Environmental Consultants, Inc. (SEC). The final alignment options identified two alternatives. Alignment Option 1 (shown above) extends Forest Road westerly and then southerly to connect with SR 89A approximately 300 feet west of the Brewer Road roundabout. Alignment Option 2 extends Forest Road further west, then southerly, and then back easterly to connect similarly with SR 89A.

Staff received direction from City Council to pursue design and construction of Alignment Option 1 with consideration for bike lanes and sidewalk(s). A solicitation requesting proposals from Engineering Design Consultants has been posted. Staff will be reviewing proposals from interested consultants in early September.
